Hi Sergio

Gaming Technologies, Inc. & Gaming Technologies Limited does not accept the termination of the agreement on the following basis:

- Under the terms of our agreement the maximum due is \$225,000 USD, and we have paid you \$218,000 and issued you \$150,000 USD (600,000 GMGT shares).
- OPERADORA THE FABULOUS VEGAS GAMES, SOCIEDAD ANÓNIMA DE CAPITAL VARIABLE has failed to follow the termination process stated in the agreement.

We have also been significantly disadvantaged by PayCips failure to make player withdrawals as you have held 100% of player balances which has led to a significant number of chargebacks. Please can you also explain the "SEGOB open investigation", on what basis? We have less than 30 players on the platform.

The company had a meeting with our broker yesterday who confirmed a number of Investor meetings next week, and they anticipate investment term sheets by the end of next week.

Please can we have a call on Monday to discuss the position between Gametechnology and Fabulous Vegas? Best, Jason

To Gaming Technologies, Inc. & Gaming Technologies Limited

Jason,

The Vegas Games Team is requesting to send an email to notify you and your team about the following actions we are going to take as we had no response from you or your team about the due balance from the Vale domain, we agreed to wait for the minimum balances due and 3 previous times, we agreed on specific dates and we didn't receive the payments on any of this dates agreed.

According to what was explained we will let you know that tomorrow the team is sending a notification to SEGOB in order to cancel the agreement on vale domains as according to our contract the termination clause is been broken, also SEGOB have an open investigation that we notify them were taking care of the necessary actions, once our deal is not open anymore we cant continue taking care of this investigation, this will have to be taking care by you or your team starting next week.

We have to notify about the information we have on Gaming Technologies, Inc. & Gaming Technologies Limited to the next institutions.

- SEGOB
- UIF
- VISA
- Master Card
- Prosa
- E-global
- ICC (chamber of commerce)
- SEC

As part of the deal we have as regulators and payment processors we are obliged to report when we have a report from them asking information.

We ask you to use this channel in order to ask or request for any information about this, we will be taking all your questions about the process during this week and we will notify you on this channel what further actions are needed from your team to answer the regulators.

We agreed this information was sent on June 1<sup>st</sup> at 18:00, UTC -6 after a couple of failed deals in order to collect the due balance on this agreement.

Regards
